2. _____ - _____.

[illegible]

The image shows a web application interface for managing certificates. At the top, there's a navigation bar with a red sidebar containing links like '产品规格' (Product Specifications), '认证类型' (Certification Type), '申请人/经办人信息' (Applicant/Handler Information), '单位信息' (Unit Information), '授权书' (Authorization Letter), and '收件信息' (Delivery Information). The main content area is divided into sections. The first section, '产品规格【管理员制证】', contains a table with columns: '产品名称' (Product Name), '印章类型' (Seal Type), '购买数量' (Purchase Quantity), '证书年限' (Certificate Validity), '费用金额' (Fee Amount), and '操作' (Action). The table has one row for '企业UKEY证书 (XMJLKC)-证书初购' with a quantity of 1, a validity of 1 year, and a fee of 300.00. Below this is a '发票信息' (Invoice Information) section with a '认证类型' (Certification Type) dropdown set to '基本信息认证'. The next section is '申请人/经办人信息' (Applicant/Handler Information), which is partially obscured by a large grey rectangular area. At the bottom, there's a red bar showing the total payment amount '付款金额: ¥ 300.00' and buttons for '保存' (Save) and '提交' (Submit). A footer at the very bottom contains a checkbox for '我同意《电子认证服务协议》《天威诚信隐私政策》' (I agree to the Electronic Certification Service Agreement and Tianwei Credit Privacy Policy).
